PSM LOG BOOK

SEMESTER: 7 TYPE: PSM 2

Date :27/3/2024 **Meeting: 1**

**Student
(Meeting Minute/
Achievements/
Activities)**

: During the meeting, I showcased the progress made on the Camping Ground Booking System. I presented the Project Plan and how do I plan to execute this project I list down all the sprints that I plan to do with and my functionalities. I also presented the idea of my project environment.

**Supervisor
(Suggestion&
Comments)**

: My supervisor provided valuable feedback, emphasizing the importance of maintaining an updated project tracking system. They suggested utilizing JIRA to document and monitor the progress of the project

**Next Meeting
Plan**

: As per the supervisor's suggestion, the next step will be to update the JIRA board with the latest progress. Additionally, we will continue the development process of the Camping Ground Booking System., focusing on implementing the feedback received during the meeting and further refining the UI elements.

PSM LOG BOOK

SEMESTER: 7 TYPE: PSM 2

Date	:3/5/2024 Meeting: 2
Student (Meeting Minute/ Achievements/ Activities)	: During this week's progress update, I presented the development of additional key features for the Camping Ground Booking System. I presented the main functionalities of the camp owner and explained my decision to pursue the camp owner first after some debate and discussion my supervisor was satisfied. In addition, i presented him the idea of completing main functionalities first and the add over the module as it decreases the complexity.
Supervisor (Suggestion& Comments)	: My supervisor acknowledged the progress made and suggested valuable additions to the project so that there is more functionality and usability for the Camp Owner, like adding components for various types of camps that I had not thought of.
Next Meeting Plan	: Our next meeting will involve the reviewing of my camp owner (Completion) and the discussion of the Customer interface.

PSM LOGBOOK

SEMESTER: 7

TYPES: PSM₂

Date	:3/5/2024 Meeting: 3
Student (Meeting Minute/ Achievements/ Activities)	: During this week's progress update, I presented the development of key implementations for the Camping Ground Booking System. I presented the completed functionalities of the camp owner and resvised the functionalities that the I was lacking before. I Also presented my camper (customer actor) and presented my concerns on the payment gateway
Supervisor (Suggestion& Comments)	: My supervisor acknowledged the progress made and suggested to explore other payment gateways like PayPal however he mentioned that there is no issue while deployment. He also suggested me to improve the UI and gave valuable insights and provided me with some additional UI references.
Next Meeting Plan	: Our next meeting will involve the reviewing of my customer completion and the UI Completion

PSM LOGBOOK

SEMESTER: 7

TYPES: PSM2

Date	:3/6/2024 Meeting: 4
Student (Meeting Minute/ Achievements/ Activities)	: During this week's progress update, I reviewed the customer completion and UI completion for the Camping Ground Booking System. I demonstrated the integration of the new payment gateway, Stripe, and showcased the enhanced UI based on the references provided. I also highlighted the user feedback received from initial testers.
Supervisor (Suggestion & Comments)	: My supervisor appreciated the integration of Stripe and the improvements in the UI. He suggested conducting more user testing to gather additional feedback and refine the UI further. He also recommended looking into adding more payment options to cater to a wider audience.
Next Meeting Plan	: Our next meeting will involve reviewing the feedback from user testing.
